

Tartar Teen Talk

By Carol White

Today, the column is just a little different. It has a new author, one I hope you will come to know. I'm Carol White, your new commissioner of publicity.

First, I'll tell you a little about me. I am a senior and plan to go to El Camino when I graduate. Later, I will go to Long Beach State College and major in business. I have served on student council this past semester as commissioner of group control, and won this office in the recent elections. I'd like to congratulate Pat Adams for her fine job this past semester as commissioner of publicity. She was effective in all phases of her work and I hope I can do as well. Pat is now senior class treasurer.

THE HEARTBREAKER game of the basketball season was played last Friday at Torrance when the Aviation Falcons defeated our Tartars. The final score was 41-40 and it was a defeat that we need not be ashamed of. It was an exciting game with both teams showing a lot of spirit. The night ended with a Fifth Quarter rally.

Tomorrow night, the THS men will travel to Lawndale for a game with the Cardinals. Next Friday, the Tartars close the season with a game at Lennox.

Tuesday evening, THS hosted the West High Warriors. Sorry, but the game hasn't been played as I write this.

THE ANNUAL variety show will be presented tomorrow night at 8 in the auditorium. The theme this year is Hootenanny. I'm sure you will enjoy the evening.

General admission is \$1 for adults and 50 cents for children. THS students will get in free with their activity card, so come out and join in on the fun.

Congratulations to Karen Keller, Mike Hubbert, and Eleanor Westfall. Their one-act

a book may be read that can lead you back to health

You may have passed by this quiet place many times—but have never entered it. Yet here in this peaceful room, ready for you to read, is a book that has restored health to many—that has renewed and strengthened them as they have learned to understand God as the source of their well-being. It can do this for you.

The place is the Christian Science Reading Room; the book, Science and Health with Key to the Scriptures by Mary Baker Eddy.

Stop at a Christian Science Reading Room soon; read the Bible and Science and Health in the quiet, undisturbed atmosphere provided for you. Borrow this book, free of charge. Or buy it for yourself. Library Edition \$4. Paperback Edition \$1.95.

is the presentation of the Harlem Clowns.

The Clowns will be playing against a Torrance coaches team, Boerger's Bombers. Clowns are supposed to be funny, but this team is hilarious. It's only \$1.50 for adults, \$1 for students, and 50 cents for children.

Seniors, attention! Cap and gown fittings will be held tomorrow on campus. Don't forget your heels, girls. See you next week...

More Jobs Needed for Torrance Youths

Growth of the Youth Employment Service serving the local area has reached the point where additional placement officers have been assigned to the offices to assist in finding jobs for young men and women.

The service has placed a steadily increasing number of young people in domestic jobs such as babysitting, window

washing, gardening, and heavy cleaning jobs. The office reports a greater number of employers are beginning to use young people in sales and office work and in factory, restaurant, nursery, garage, and service station jobs.

The Torrance office placed 3,867 young people in full and part time jobs during December, 1963, reports Murray Love,

local California State Employment Service manager. More jobs are badly needed, says Murray.

Employers who have jobs available for young people are asked to call the Torrance Youth Employment Service between 12:45 and 4:45 p.m. Monday through Friday. The office may be reached by call-

ing FA 8-2611. Placement interviews may be reached at the State Department of Employment from 8 a.m. until 5 p.m.

Let us open our affections to the Principle that moves all in harmony,—from the falling of a sparrow to the rolling of a world.—Mary Baker Eddy

EAGLE RANK
Scouting's highest honor — Eagle rank — takes initiative, perseverance, curiosity, versatility, scholarship, and determination. About 22,000 Boy Scouts qualified last year after earning 21 merit badges which indicates they can help take care of others as well as themselves. In 1963 there were 350 boys in the Los Angeles Area who attained this top rank.
